

Nursing Network on Violence Against Women International -22nd Conference-

"Transforming health services, policies and systems through research, education, innovation and partnerships"

Call for Abstracts
Submission Deadline
January 19, 2018

September 26-28, 2018
Niagara-on-the-Lake, Ontario
Pillar and Post Conference Centre

Western
Arthur Labatt Family
School of Nursing

This conference provides a forum for nurses, social workers, counselors, physicians, advocates, community activists, policy makers and researchers to share their work and engage in dialogue about innovations in research, practice, education and policy that support action to create a violence-free world

We invite submission of abstracts related to the main conference theme and/or the following foci for oral or interactive poster presentation:

- Scale up and Implementation of Promising Interventions and Practices
- Working Across Differences: Violence at the Intersections of Gender, Class, Ability.....
- Understanding and Addressing the Health Effects of Violence Across the Lifespan
- Engaging the Media, Policy Makers and the Public as Allies
- Health Professional Education and System Change
- Evolving Approaches to Community-based Research
